Representing Massachusetts, Communities & Development Secretary Byron J. Matthews said, in part, "The Commonwealth's elderly citizens are particularly hurt by a lack of affordable housing. Most elderly people live on fixed incomes and simply cannot afford skyrocketing rental costs. I am pleased, then, to participate in this groundbreaking which marks the addition of 52 new housing units in Mattapoisett."

Senator William Q. MacLean, Jr., Representative Walter Silveira, Jr., Board of Selectmen Chairman William Hubbard and Executive Director June Mendall also spoke. Mrs. Mendall thanked all who participated in the long quest for support for the project. She recalled the hard work and planning of all who were involved.

The 52-unit building is located off Acush-

net Road and will have 3 units of 2 stories of wood frame construction. The new facility will be built by the Mattapoisett Housing Authority with a \$2,162,670 grant from the Executive Office of Communities and Development under the state's Chapter 667 elderly housing program. In addition, the Executive Office of Energy Resources al-

Mattapoisett Selectmen expressed regret at losing him and said that his work has been excellent. Chairman William Hubbard said that Lombard will be missed but has a chance to better himself and the town wishes him well.

Mr. Lombard read a statement to the Board expressing his personal thanks to the town for the privilege of serving as executive secretary.

The statement said in part: "I am especially fortunate to have been able to work with Boards of Selectmen that are dedicated, unselfish and concerned with the welfare of the town. At this time I would like to extend my personal thanks to all of the Department Heads, Boards, Committees and town employees without whose help I could not have functioned in my capacity as Executive Secretary.

"The town is indeed fortunate to have so many dedicated people working for it and to have residents that are so concerned with the town to keep Mattapoisett 'Special'. In order to maintain this level of government, it be-

The Selectmen received a letter from the Department of Revenue certifying the amount of \$30,750.00 as free cash as of July 1, 1981; last year's certified figure was \$186,871.00.

#### LICENSE SUSPENDED TWO DAYS

Selectmen ordered the Sly Foxe Tavern to suspend operation on September 25 and 26 following a lengthy hearing on a violation of Chapter 138, Section 34 of the Massachusetts Alcoholic Beverage law. Selectman James James Huntoon announced the finding that 2 persons under age 20 had been served alcoholic beverage in the tavern. The finding was unanimous.

The complaint arose from an incident of July 31 when complainant Dori Ripple went to the tavern with her sister Alison and her brother Craig, 16, to meet friends. Miss Ripple stated that she showed identification to the checker at the door and said that her two companions were with her, were under age and would be drinking soft drinks only. They objected to the \$2.00 cover charge for the under age youths and finally \$1.00 was charged for each. After being seated, the group was told that sodas were \$2.00 each. They were reluctant to order at this

price. Dori ordered a beer and her friend Miss Hagen ordered one while the other members of the group discussed what to order because they thought the price was too high for soft drinks. During the interval the group changed tables to one away from the dance floor and some danced. Miss Ripple stated that Mr. Abreu then went over to Miss Hagen and began to talk to her in a way that she resented. She said he told her friend that he did not need her business and

suggested that she leave the tavern.

Miss Ripple's brother Craig, she stated, said to her, "I think I'll order a beer." She said, "Go ahead." Allegedly, the beer was served. Almost immediately afterward, Proprietor Roger Abreu picked up all drinks, took them to the bar and dumped them while ordering the entire group out. Miss Ripple came to the bar and told the proprietor she was appalled by his behavior. They demanded the cover charge returned. It was refused since the owner stated that they had been entertained. They were upset, felt as if they had been treated like dirt, stated Miss Ripple. She went directly to the police station and filed the complaint with Lt. James A. Santos.

Mr. Abreu said that he erred only in admitting the group and realized it very shortly when his wife, who was watching the table, came and told him that they were all over the place and that she could not spend the whole night watching them all. He alleged that Kathleen Hagen had regularly showed identification on other visits to the tavern indicating that she was 26. Miss Hagen, at the hearing,

### Letter to the Editor

while remaining pleasant and helpful in  
performing his duties. We will miss him.

A week or so ago I also learned that Carol Philla, our Town's Selectmen's secretary, would also be leaving. For financial reasons Carol found a position with Cable Vision in Fairhaven. Carol, I thought, did an outstanding job in her capacity, always seeming efficient and professional. Her personality and demeanor also seemed an asset in a position that called for as much public relations as secretarial skill.

As a businessman I know what the loss of two important and experienced employees can mean to the smooth operation of any business, and would like to urge the Town in asking Carol to reconsider her moving to Cable Vision. I believe Carol with her years of experience of working hand in hand with Steve would be an excellent replacement for him. Financially it would be more rewarding than her town secretary position and Mattapoisett Town Hall would remain an efficient, well run operation, one that we could remain proud of.

### LATE BUSES

A student riding the late bus can select a stop that is no greater than 2 miles from his or her home. In some instances, this will require prior planning on the part of parents to pick up their child from these predetermined stops.

## Benefit Cocktail Party

### FHS RESTORATION FUND

On Friday, September 18th, just a week after the 75th anniversary of Fairhaven High School, the fund-raising committee of the Alumni Association will sponsor a cocktail party in a festive tent at the high school grounds. Tickets, which are \$12.50 per person, are available in Mattapoisett at Peter Briggs' Insurance office on Route 6.

The date will also mark the kick-off of the group's fund-raising raffle of a 1981 Pinto wagon. The drawing for the winner will be at the traditional Fairhaven-Dart-

mouth Thanksgiving Day Football Game.

Fairhaven High School was constructed and given, along with 8 acres of land, to the Town of Fairhaven by Henry Huttleston Rogers in 1906. In 1918, the heirs of Mr. Rogers established the Fairhaven High School Fund. However, the terms of the trust were vague, and what seemed like an abundance of money in 1918 is sadly inadequate today.

Within recent years, Fairhaven Town Meeting members have approved two bonding issues to repair the school. As a result, the exterior of the building has been repaired and sealed from the elements.

Interior repairs remain to be done, including the repair of water-damaged plaster and wood, the restoration of carved ceilings and woodwork, the restoration of antique lighting fixtures, and overall repair, cleaning and restoration of walls, floors, ceilings, windows.

In October of 1980 the Alumni Association met and voted to launch an extensive alumni fund-raising project for the interior renovations at the high school.

scenes along the eastern seaboard and in Europe, he concentrated on South Shore and Cape Cod settings, particularly in his later life. An ardent sailor, he strived for authenticity in his renderings of ships and boats from his large clipper ship oils to the racing and harbor scenes in watercolor and his pencil drawings of smaller sailboats. Many residents of Cape Cod and the South Shore, as well as East Coast yacht clubs and marine museums, include his works in their collections.

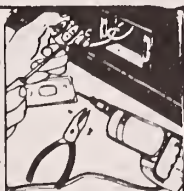

Heritage Plantation has an extensive and representative collection of his paintings and drawings, and it is from this resource that this marine exhibit is mounted. In his later years, Smith, a quiet and gentle man, became a close friend of Josiah K. Lilly, Jr., who summered on Quisset Harbor, and in whose memory Heritage Plantation is dedicated. Both men loved to sail and shared their common interests in a close friendship. Mr. Lilly knew the Cape was changing in the post World War II period and asked Smith to record the view of harbors and coastal areas they both knew intimately. Some of these superb works will be included in this show.
